Dream House Essay

Imagine 15 years from now. How old will you be?

Tell me

- Where is your house located, and why.
- What size house you have, and why.
- Who lives in your house?
- What do you use your house for? (ie: sleeping, entertaining, homeschooling, just the basics?? What is your lifestyle?)

Describe these rooms specifically:

- Entrance
- Living Room
- Master Bedroom
- One other room
- Kitchen

Be as **specific** and **detailed oriented** as possible! Use your senses. Sight, smell, touch, sound.

What do you hear walking in? What does each room smell like? Have you ever noticed that every home has a different scent? What are the colors that we see? What is on the walls? What makes this a home? I want to close my eyes and see what your Dream Home.
