

## Interior Design – Final Exam Dream Designer

For this project, you will be the Interior Designer. You will be designing your dream home. Follow the guidelines below, *in exactly the same order*, to create the Dream Home Concept Presentation. There will be 5 parts. The entire project will be your **final exam grade**.

You will be designing the YOUR dream home. You will choose 3 rooms of your choice (You may NOT use the dining room, master bedroom or living room.) You will use the Chief Architect Room Planner App to design the floor plans. You will use Google Slides to create the Design Concept Slides.

### Part 1

1.a You will brainstorm your personal style, design style preference and homes choice. Think about where you would like to live, the type of home you would like to live in, the furniture styles he or she prefers.

1.b Slide 1 required info:

- A picture of the home,
- a picture of the home floor
- your name,
- The name of the Home
- the 3 rooms that will be presented in the project.

### PART 2

#### Part 5

The student will write a 4 paragraph essay explaining their choices. The student will discuss the not only what is shown on the slides, but also the reasoning behind the choice. What is the client's personal style? How do the choices fit into the client's personal style? How will each room be used and how will the choices benefit and fit with the use of the room. You MUST use at least 3 principles and elements of design each paragraph. UNDERLINE the vocab words you use.

Example:

Paragraph one introduce the Client and his/her style.

Paragraph two describe your choices and reasons for room 1.

Paragraph three describe your choices and reasons for room 2

Paragraph four describe your choices and reason for room 3
