### **Explanation of Collage: 50 pts**

You will write a 2 paragraph response about your collage.

The first paragraph will describe your heritage, where your family came from. Tell about your family history and how you came to be in Mansfield, Tx. Is your family from another country that you still celebrate in your home through the language, the food, your clothes? Did your family come from a different state? Why did you move here? How is life in the other area different? 5-7 sentences

The second paragraph will explain at least 5 other words or images that you use in your collage. Explain why that image word describes you. I am looking for more than, "because I like it." Explain why your like it, or why it represents you and HOW it ties into your culture.
